Those Johnson Girls

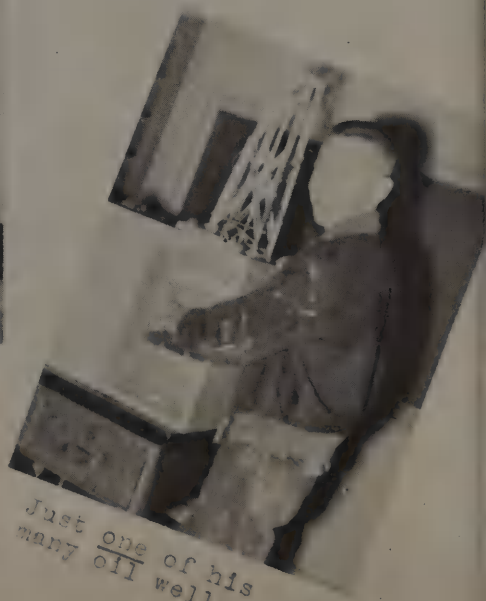
Are you really thinking about baseball, Pat?

What's the matter, Ann, are you scared?

It really won't hurt, Patsy

The morning after the night before

This is a lung??



Just one of his many oil wells.

Working on the school annual has been an experience that we will never forget. We have tried to record for you the highlights of this school year.

We hope that you will enjoy this pictorial record for as long as Haughton High School will remain dear to your hearts.

Each time that you glance through these pages and relive the experiences recorded there, we will be rewarded for our efforts.
